SUPPLEMENT TO CENTURYLINK'S JULY 24, 2012 NOTICE OF ACCEPTANCE OF
CONNECT AMERICA FUND PHASE I INCREMENTAL SUPPORT
WC DOCKET NOS. 10-90, 05-337

Dear Ms. Dortch:

On July 24, 2012 CenturyLink accepted \$35,098,975 in Connect America Fund (CAF) Phase I incremental support for 2012 that it would use to deploy broadband to 45,289 unserved locations. At that time, CenturyLink stated that it would provide additional data for those locations, including latitude and longitude within one year of the date of that letter. CenturyLink is now providing that information.

Also, since CenturyLink's Notice of Acceptance, the Company has gained additional insight and information regarding the feasibility of deploying broadband to the locations that CenturyLink initially identified. Based on this additional information, CenturyLink has modified some of the locations to which it intends to deploy broadband using this first round of CAF Phase I incremental support. In light of these changes and for ease of reference, CenturyLink hereby provides a revised complete list of locations to which it intends to deploy (including locations to which it has already deployed) broadband using the accepted CAF Phase I incremental support. Currently, we do not anticipate that these location changes will result in any significant change to the funding amounts for impacted CenturyLink entities that we previously identified.¹

Attachment A to this submission identifies, by 2010 Census Block FIPS code, wire center CLLI code, NECA Company Code (OCN), Study Area Code, latitude and longitude, the locations to which CenturyLink intends to deploy broadband using the accepted CAF Phase I incremental support.

¹ See CenturyLink Notice of Acceptance, Attachment A (filed July 24, 2012).
